VIRTUAL REQUIREMENTS:

- Home gyms will need to identify a coordinator that will coordinate with the meet director about equipment, camera angles, filming, music, lighting, and internet speed prior to meet and during meet.
- Filming must be from a stationary tablet or computer (not a cell phone)
- We will be using a Virtual Live Stream Format via Zoom with a backup video that each coach must record on their device using Flyp10 or individual cell phone video that can be texted to judge if any technical issues arise
- Gyms must have access to Zoom. If you have a zoom account, make sure you have the latest version.
- Judging panels will be virtual and will view routines in real time via Zoom. If there is an internet problem during a routine, judges will use the videotaped routines as a backup.
- There will be a two-judging panel.
- We will be utilizing Pro-Score for scoring and posting scores via Meet Scores Online.
- Gifts and Awards will be mailed or delivered to all participants
