At Casey Cares, we know how difficult life can be for families with critically ill children. We help keep families' spirits high by arranging programming- whether it's a simple movie night, a fresh pair of pajamas or attending a major sporting event. Casey Cares makes life a lot better by adding a personal touch throughout the year and making lasting memories for families through-out the Mid-Atlantic region, Florida and portions of the Midwest. <https://www.caseycares.org>
